

FIVE ALBANY GIRLS ENTERED IN VICTORY WAR BOND CONTEST

Bonds are being purchased, ballots are being cast and the "Albany Victory Queen Contest" is under way.

Five lovely local Albany girls have entered their applications in the contest and will try for the honor of holding the title "Albany Victory Queen." To date the entries are:

Marlyn Reip, 18 years old, 1445 Marin Ave., now a senior at Albany High and sings with the Harmonetts.

Jackie Taylor, 19 years old, 1445 Marin Ave., graduate of Albany High, now a student at the University of California.

Doris Williams, 22 years old, 1059 Peralta Ave., graduate of Albany High, employed now by the Pacific Telephone Company in San Francisco.

Barbara Matthews, 19 years old, 521 Kains Ave., graduate of Albany High, now employed by the Pacific Overseas Air Technical Service Command.

Betty Hill, 19 years old, 838 Stannage Ave., graduate of Albany High, employed by the Radio Insurance Agency in San Francisco.

"War Is Over." Those are words we have been longing to hear since December 7th, 1941; now the day has come when we can repeat them over and over, knowing they are true. However, this is not the time

to lay aside our efforts and say a "Job Well Done."

There are many servicemen to be brought home, many casualties to care for and the rehabilitation of many of the men returning home. These are costly tasks which are yet to be taken care of.

Realizing these facts the local girls enter into this contest with the desire to win the honor of representing their own city in a greater contest, but they also enter with a far more earnest desire to see this Victory Loan Drive go far over the quota set, a real tribute to those who served us so well in time of war.

Any girl between the ages of 18 and 26 may, according to Mrs. Gertrude Ross, chairman of the Queen Contest Committee, enter the Albany Queen Contest by filing one of the entry applications printed in this paper with her or at the War Finance Headquarters, 1377 Solano Ave., Albany.

All ballots cast for any contestant between now and December 1st will be counted in the final tabulation. Ballots are given to the purchasers of all series "E" Bonds at the time of purchase.

Mrs. Ross urges everyone buying a series "E" bond to cast a ballot for one of the contestants, so that the percentage of the local winner will be higher and the opportunities in the greater contests to follow will be increased.

VICTORY BOND SHOW AT ALBANY THEATRE

The Victory Bond Premiere Show will be held at the Albany Theatre, Wednesday night, November 28. The Biggest, the Best, and the Last Bond Show is sponsored by the Albany Exchange Club, Albany Eagles, American Legion, Veterans of Foreign Wars, Rotary, Albany Macabees and the Soroptimists.

General Chairman of this city-wide Theatre Party is Mayor Raymond "Buzz" Cleary, and Co-Chairman Arthur K. Smith, and both have declared that this premiere show will top all previous performances.

Presidents George Glavinovich, Eagles; Newton Cousins, Lions; Russell Rothschild, American Legion; Lloyd Grubbe, Veterans of Foreign Wars; Charles Moore, Rotary; Grace Higgins, Soroptimist; Glenn French, Macabees, and Ed Howell, Exchange Club, have been charged with the responsibility of promoting the Victory Bond Show within their respective clubs.

Any person purchasing a \$25 Bond between November 1 and 28 will be given a ticket to the Victory Loan Premiere Show. Victory Bonds may be presented at the Albany Federal Savings and Loan Association, Mechanics Bank, Albany Post Office, Bank of America (Solano Avenue Branch) and the Albany Theatre.

Doors will open at 6:15 p. m. and the public has been warned to come early as there will be no reserved seats. Bill Garren, Albany Theatre owner and manager, has turned over his entire show and staff to the Bond Premiere Committee for the evening of November 28, and has promised an outstanding premiere picture and short subjects, in addition to the gala stage show that has always been the highlight of the theatre programs.

The picture, "True Glory," sponsored by the American Legion, will be shown on the screen at 6:30 p. m. in memory of Albany's war heroes. This outstanding Army film, directed by General Eisenhower, unravels for the first time the foot by foot and mile by mile actual scenic account of the battle of Europe from VE day to victory.

Then comes the short subjects, one of which is the "Hollywood Victory Caravan," 20 minutes of fun with such stars as Bing Crosby, Bob Hope, Betty Hutton, Barbara Stanwyck, Humphrey Bogart, Alan Ladd, the U. S. Maritime Band, and many others.

The stage show under the direction of Earl Ivy and Henry Villa, with Master of Ceremonies Ed Howell, who recently received an award for outstanding performance at the United Seaman's Service Club

in San Francisco for bolstering the morale of the men during war time with his slap happy comedy, will start at 8 p. m.

Advancement of the Colors by a Color Guard of the American Legion and the singing of patriotic songs and the welcome home of Albany's discharged veterans of the armed forces will follow the Color Guard.

Albany Victory Bond Queen contestants will be on the stage, in person, and those attending the Bond Premiere Show will have a chance to vote for their favorite queen.

Twenty-five turkey orders will be given away during the stage show and every person attending the premiere will have a chance to win one of these rare birds.

MAGIC ON CUB PACK PROGRAM

Raymond Brown, chairman of the Albany Cub Pack Seven Committee, announced today the inauguration of a new policy in conducting the growing monthly pack meetings. Beginning with the next meeting, to be held in the Cornell School Auditorium next Monday, November 19, from 7:00 to 8:15 P. M., the individual dens are to take charge of the entire meeting, under the general supervision of George Marshall, cubmaster.

Details of this next meeting are being kept a deep dark secret, but we have it on good authority that one of the bay region's best magicians, Henry Puge, is to highlight the program. Another feature of the meeting will be a display of hobbies by individual cubs. These will include stamps, match covers, planes, etc. This meeting is to be conducted by Den Number One, in charge of Mrs. Wayne Miller.

Mr. Brown also announced that Pack Seven now has nine dens, an increase of three over last year, and a total membership of 55 boys, including the following, who are to be inducted into the Pack next Monday night: Toby Popper, Jimmie Loebbeche, Donald Leo Kennedy, Harvey Lowthian, Jr., and Donald Wolfson.

Anyone interested is cordially invited to attend these Pack meetings, which are usually held the second Monday of each month. Parents are especially urged to attend and see what these young boys can do.

The Cubs are part of the Scouting program, and comprise the age group from nine to twelve. Pack Seven is sponsored by the Cornell Parent-Teachers Association.

Albany Schools In Bond Premier Show Monday

Children of the Albany Elementary Schools, who have sold Victory Bonds, in the present Victory Drive, will have a Bond Premiere Show of their own Monday afternoon, November 19.

School children were charged with the responsibility of selling bonds from door to door and for their efforts they will be given a big theatre party at the Albany Theatre. School will be out Monday afternoon for these bond sellers, who will go direct to the theatre to see the super 4-star unit show.

The feature picture of the show will be Wild Bill Elliott and Bobby Blake in "Colorado Pioneers" then those kings of kicks "The Three Stooges" in a little comedy entitled "When a Body Meets a Body" and no doubt there will be some bodies meeting.

"Bugs Bunny" will appear for the children's show (some say in person) with his favorite carrot. He will impersonate "Red Riding Hood." Animalology, a subject not found in the school books will be the fourth unit of the 2-hour show which is expected 700 children will attend.

Tickets are being given out free to the children of the three schools: Marin, Cornell and Codornices, for those who sold bonds.

DAD-SONS PROGRAM AT MARIN

An interesting and entertaining program consisting of many notable baseball figures will be presented at the Dad and Son's night in the Marin School Auditorium tonight at 8 p. m.

The principal event of the program will be a baseball quiz conducted by Manuel Duarte, popular sports figure in the east bay. Mr. Duarte has presented this quiz at the Oak Knoll Hospital and various clubs and organizations with great success. Prizes will be awarded to winning contestants.

Another baseball figure and big league star known to all east bay residents will be Augie Gallan, a graduate of the sand lots of Oakland.

Bernie Abbott another local boy, a graduate of Notre Dame University will be on hand. Mr. Abbott is well known for his rendition of "Casey at the Bat" which he will give.

Other notable figures will be present to round out a very pleasant and enjoyable evening for all Dads and sons.

V.F.W. Post to Initiate 75 New Members Here

Albany Post 2658 of the Veterans of Foreign Wars of U. S. will hold final obligation ceremonies Tuesday night, November 20th, at 8:30 p. m.

Among those to ride the goat will be twenty members of World War I and forty-three members of World War II, leaving twenty-three members in the armed forces still to take the obligation when they return home. The final degree will be given by the State Champion team of Hollywood Post 939 of Alameda. Sons of World War I members now in the Post include: Nahlon C. Kyle, Raymond Ham, Robert Hayhurst, Wm. Schaffer, Chan Gracher, Theodore Grubbe, Edward Chicou, Richard Glotch and Douglas Duncan.

In line with the policy of the entire VFW to turn the organization over to its younger members, Post Commander Herbert Ham gave the officers obligation to Ray Ham as Junior Vice Commander and Richard Glotch as Officer of the Day last meeting night. The Post recently sponsored its fifth orphan to the National Home in Eaton Rapids, Michigan, in the person of Melvin Townsend, son of Edna and Herbert Townsend. He was accompanied on the trip by Mr. Daniel Schertle, president of the Home, and Mrs. Laurie Schertle, past national president of the VFW Auxiliary.

LATEST NEWS ABOUT LOCAL SERVICEMEN

Swiss girls appear to be rather conservative and bashful," was the comment of Corporal John F. Serex of Albany, and the 89th Infantry Division, but despite this, Cpl. Serex had an enjoyable time on a recent visit to the Switzerland Leave Center.

The whirlwind trip which included the scaling of the Alps at Jungfraujoch (elev. 14,000 feet), a stay at Spiez where a Swiss "4th of July" was being held complete with bonfires, singing and dancing and a stay at Lucerne where the inevitable Swiss watch was purchased, was over all too soon for Cpl. Serex.

Cpl. Serex had two outstanding observations to make. "The rationed items considered to be scarce at home were plentiful in Switzerland," and the American soldier seemed to awe the Swiss to the extent that "you feel like a goldfish in a bowl," until their congeniality and friendliness dispell all feeling of discomfort.

Cpl. Serex is presently stationed near Rouen, France, where the 89th Infantry Division is processing USAIbound troops. He is the son of Mrs. John F. Serex of 917 Ramona Avenue.

Lt. John Ganerius North, USNR, 841 Santa Fe Ave., played an important role in the operations of Fleet Air Wing One during the final phases of the war when that Fleet unit piled up a record that is now being released by the Navy. From Korea to China and Formosa—even to Japan, itself—the air wing helped keep the Japs in confusion while other Fleet units pounded the enemy from Okinawa to Tokyo, and while her own planes teamed up with Army airmen to rain destruction on her homeland.

Units of the wing still were harassing the Japs from their base at Okinawa when the Japs surrendered.

Robert F. Hayhurst, torpedoman, third class, USNR, of 902 Madison St., and other men of the destroyer USS John W. Weeks had a narrow escape from five Jap suicide planes just a few hours before the Japanese made their first peace bid.

The suiciders whirled out of the sky and attacked with bombs, strafing and straight-on plunges. Four were knocked into the sea or blown to bits in the air, two of them falling victim to the guns of the "Weeks." The fifth crashed into a destroyer nearby.

Eugene C. Hellwig, first class, USNR, got his first glimpse of the Japanese homeland August 27, when his ship, the USS Mississippi, sailed up to Tokyo Bay as part of Admiral "Bull" Halsey's powerful Third Occupation Fleet.

He served as a member of the movie operators aboard the 40,000-ton battleship during the Gilberts, Marshalls, Bismarck Archipelago, the Palaus, the Philippines, and Ryukyus operations. He wears the Asiatic-Pacific ribbon with seven battle stars, the Philippine Liberation ribbon with two stars.

Eugene is the son of Mrs. Clifford Newberg of 1235 Marin ave.

Paul F. Dempsey, ship's cook, third class, 722 Pomona ave., served on an attack transport as she carried troops of the 1st Cavalry Division into Tokyo Bay on the morning of Sept. 2, the day of the formal Japanese surrender.

THANKSGIVING SERVICE AT OAKS ON SUNDAY

The Rev. Laurance L. Cross and the congregation of Northbrae Community Church move to the Oaks Theatre this Sunday morning at 11 o'clock to hold Victory Thanksgiving Sunday services.

This first Thanksgiving Sunday after V-E and V-J days will be an especially appropriate time to give thanks for victory and for peace. Rev. Cross will speak on "Ten Reasons For Gratitude" and copies of the sermon, printed in advance, will be available following the service. Special Thanksgiving music will

S/Sgt. Louis F. Vasek, 824 Ramona Ave., was honorably discharged today from the Santa Ana separation base.

Sgt. Vasek is a veteran of 30 months of service in the Army Air Forces. He served in Italy as a B-24 gunner with the 15th Air Force.

The AAF has awarded him the Purple Heart, Air Medal and oak leaf cluster and the Presidential Unit Citation.

Brigadier General Arthur E. Easterbrook, commanding general of the SAAAB, declared:

"The fact that a man has served honorably with the AAF marks him among the cream of the crop. We think many of tomorrow's leaders will spring from the outstanding young men who have made up the victorious Army Air Forces."

Leroy W. Middlekauff, aviation electrician's mate, second class, USNR, of Albany is busy with the task of returning RAMP's (recovered Allied Military Prisoners) to the United States from the Pacific, with the crewmen of Air Transport Squadron 12.

The squadron is a unit of Naval Air Transport Service's Pacific Wing, which is giving No. 1 priority to returning prisoners.

The unit daily sends planes over 20,000 miles of air routes from Oakland, to Tokyo, Guadalcanal and the Philippines. Nearly 3,500,000 miles a month are being traveled by the huge, four-engined planes of the service.

Graydon Cass Pinfrock, shipfitter, third class, 1140 Washington Ave., and other members of the 127th Naval Construction Battalion have won a commendation from the brigade to which it was attached for its work in the Philippines when the war in the Pacific was blazing to its climax.

Formed in September, 1943, the 127th Battalion was on its way to Hawaii five months later. Members of the unit worked for a year on housing and dock facilities there, standing 12-hour shifts.

Fred M. Householder Jr., printer, (offset duplicating process), 2nd class of Albany is on his way home to become a civilian again. He is one of the thousands going through Pearl Harbor demobilization center headed for the States. His wife is Mrs. Dolly Winifred Householder, of 11508 St. Clair Ave., Cleveland, Ohio.

Two Albany Marines, recently were discharged from the service, the Marine Corps announced. They are:

Private Raymond W. Sykes, 33, whose wife, Yvonne, lives at 1268 Portland Ave.

Corporal B. F. Thornton, 24, whose wife, Ann, lives at 984 Cornell Ave. Thornton is a veteran of the New Guinea, Cape Gloucester, Palau campaigns.

Lt. (jg) Peter Joseph Gaudar, USNR, of Albany, participated in the occupation of Japan when his ship entered Mutau Bay in northern Honshu.

The Graffias is a unit of the North Pacific force that came from the Aleutians to begin the occupation of Hokkaido and northern Honshu by taking over the Ominato naval base on Mutsu Bay, headquarters of the Japanese 5th fleet.

Legion Post to Hold Initiation Entertainment

By WALTER HOLLAND

At the regular meeting of Albany Post No. 292, American Legion, this evening Lee J. Carroll, chairman of the Post's Victory Bond Committee, will have names of the applicants who desire to have the sponsorship of Albany Post in the Community Bond Queen Contest. The queen will be crowned at the Albany Theatre on December 5.

Friday being entertainment night at the Post, Robert Perkins, chairman of the fun frolic for the membership, will have as guests of the Post the Glee Club from Albany Landing Equipment Naval Base.

In keeping with a request of the Veterans Hospital committee, W. L. Holland, Albany Post Delegate, will register volunteer workers to make Christmas tree ornaments at the Oakland Auditorium.

In order to keep abreast of the ever increasing numbers of applications to join Albany Post, Mason Layton, the membership chairman, has scheduled an initiation for Friday evening and all veterans of World War I and World War II are invited to be the guests of Albany Post to witness this initiation and the entertainment.

LIONS CLUB IN DRIVE TO HELP BLIND

Citizens of Albany were urged yesterday to return their dollars for the Sight Saving Seals recently sent out in the mails for the purpose of providing Contra Costa and Alameda Counties' 800 blind persons with a fully equipped recreation center, according to J. F. Scholz, committee member.

"For a long time," said Scholz, local Lions Club members have been donating time and money in order that our blind friends might have something more than just subsistence. This year we are asking the public to help by sending their dollars, one or more, so that they may purchase for some blind person the opportunity to contribute a useful life to his community."

Sponsors of the drive are the Alameda - Contra Costa Counties Committee for the Blind, comprised of business and professional men of the various district Lions Clubs. Approved by the Berkeley, Oakland and Richmond charities commissions, the drive will continue through November 20, it was learned. The organization is non-profit and the entire proceeds from the drive are to be used for the help of blind persons in the area.

The small center now in use in Oakland provides a meeting place for the various blind clubs, a center for reading, dramatic and discussion groups, and a location for parties, musicals, classes in braille, typing, cooking, housekeeping and handicrafts.

"Make your Christmas a happy one this year by remembering the ray of light you have sent into a blind man's life" said Scholz. "Surely the meaning of 'normal' living is just the same chance for every human being, handicapped or otherwise."

Homeless Babies Fund Raised by Sale of Seals

As the "Homeless Babies Fund" campaign gathered momentum this week, Richard F. McCarthy, Grand President of the Native Sons of the Golden West, which is sponsoring the campaign with the Native Daughters, released a statement in which he praised the organizations' work with homeless children.

"The placing of homeless children in childless homes has contributed greatly to the social development of California-born members of the two pioneer groups in their child care work, and said that since 1910, when the project was first started, more than 7000 children have been cared for.

Funds for the campaign are being raised through the sale of the "Homeless Babies Fund" seals to the public.

ALAMEDA COUNTY TAX RATE TOPS LAST YEAR

While Alameda County's basic tax rate this year is 13c less than it was in 1940-41, it has risen 10c over the \$1.10 basic rate of last year. The highest point in the county's tax rate over this six-year period was reached in 1941-42, when the basic rate reached \$1.35. In 1942-43 the rate went down to \$1.29 and the following year it was reduced to \$1.19, followed by the low point of \$1.10 in 1944-45, the Alameda County Taxpayers' Association points out.

Chief reason for this decline in the county's basic tax rate was the reduction in the county's share in old age security payments, when the State took over approximately half the county's share, starting in 1943. The Welfare and Security Fund of Alameda County was budgeted at 29c in the tax rate in 1940-41. The following year it was reduced to 24c; in 1942-43 it went to 20 1-2c, then in 1943-44 to 11 1-2c. In 1944-45 it was further reduced to \$0.09, rising slightly in this year's budget to \$0.82.

War-time prosperity also had a

share in reduction of the basic county rate, as shown by the fact that there were fewer people to be cared for from county funds, because many had found jobs and gone back to work. The fund for care of the indigent poor and sick was likewise reduced from a high point of 56 1-2c in 1941-42, to which it rose from 44c the previous year, to a low of \$3.57 in 1944-45, rising slightly this year to \$3.95.

However, the Taxpayers' Association further states that while appropriations for the Welfare and Security Fund and Care of the Indigent Poor and Sick were less, others, such as the Salary Fund, increased in Alameda County's budget. In 1940-41 and in 1941-42 the Salary Fund represented 27c of the tax dollar. This rose to \$3.22 in 1942-43 and to 36c in 1943-44, where it remains today, after a slight reduction to \$3.37 last year.

Appropriations for the General Fund also show a drastic increase from 11c in the county basic rate in 1940-41 to 21c in 1943-44 and to \$2.31 this year.

SURVEY OF SCHOOLS APPROVED BY BOARD

At the regular meeting of the Albany Board of Education last Tuesday evening, November 13, unanimous approval was given to the planning of the post war building program. Paul C. Bryan, superintendent of schools, pointed out that present enrollments in the kindergarten and primary grades are much larger than in pre-war years and that every available class room is now filled to capacity in the elementary grades.

The authorized survey will be conducted by the superintendent and the administrative staff. Included in such a survey will be the population trends and school enrollments in Albany during the past 20 years with an estimate of future school enrollments. The birth rate in Alameda County and Albany, as well as the number of pre-school children now

living in this area, will be ascertained. The survey staff will also investigate the future educational programs and possible organizations of the schools.

"The present condition of buildings will receive considerable study," Mr. Bryan stated, "Cornell School in particular is a 40 year old frame building and not adequate for future educational needs."

A study of the relationship of school facilities to the recreational needs of the community will also be included. Finally, the problem of how needed buildings in terms of the best educational opportunities for the children can be built and financed will be investigated. The work on this survey is to begin at once since continued large enrollments will make the need for adequate housing more urgent than ever before.

Cornell P.T.A. Holds Last '45 Friendship Tea

The Cornell P. T. A. held its last of the "Friendship" Teas Nov. 13th, according to Mrs. Kenneth Phelps, room mother chairman. Excellent attendance was reported at all teas.

The teachers' explanations of the class program, the colorful decorations, and friendly social hour have made the room teas highly successful.

These teas have fulfilled the object of P. T. A. as stated in the National By-laws of California Congress of Parents and Teachers—"To bring into closer relations the home and the school, that the parents and teachers may cooperate intelligently in the training of the child in the highest advantages in physical, mental, social and spiritual education."

Mrs. Phelps wishes to extend her thanks to all the mothers and teachers who participated in making these room teas such a success.

Fa-La-Cha Plans Postwar Program, To Start Dec. 1

Fa-La-Cha will hold its first meeting since March, 1942, on December 1. All but two of the male members of this "fatority" have been discharged from the armed services. They are Kenneth Stevenson EM-3c, assigned to the famed U. S. S. Enterprise which saw action in the South Pacific and Tokyo Bay, and Cpl. Henry Murray who has been in India for 22 months.

Members already discharged are Richard D. Ferguson who served with the Navy at Pearl Harbor; Lester E. McDermott with the Army in Iran, Sicily and Italy for three years; William O. Roberts, with the Navy assigned to the U. S. S. Ranger saw action in the North Pacific; Frost J. Whalen, Navy, assigned to the U. S. S. Grumum and later the U. S. S. Hamlin in the South Pacific, and Harry D. Barrows, Army, with the 28th Division in France, Belgium Luxembourg and Germany.

Most of the wives of these former service men had their share of traveling throughout the United States in the last three years. Mrs. Stevenson (Jeanette Starkweather) and Mrs. Whalen (Lorraine de la Montanya) spent some time in Seattle, Washington, with their husbands; Mrs. Ferguson (Bernice Finch) in San Diego; Mrs. McDermott (Elizabeth Jansson) in Santa Barbara, Mrs. Roberts (Barbara Smith) in Portsmouth, N. H., Boston, Portsmouth, Va., and San Diego, and Mrs. Barrows (Lavin Winsor) in Mineral Wells, Texas and Santa Barbara.

All the members of this happy group are anxious to start the meetings again which were so successful before the war.

'Blossom Time' New Attraction At the Curran

Lovers of fine music, lovers of bright comedy, lovers of traditional good theatre, and just lovers in general, will welcome the 1945-46 revival of the nation's favorite operetta "Blossom Time" which is to be the attraction at the Curran Theatre, San Francisco, starting Sunday evening, November 18th.

For the American production the Messrs. Lee and J. J. Shubert had engaged Sigmund Romberg to adapt the music and the late Dorothy Donnelly to prepare the book. The premiere was greeted with much enthusiasm, and today, after almost a quarter of a century, "Blossom Time" is still continuing to make history in the American theatre.

In presenting the 1945-46 revival of the beloved masterpiece, the Messrs. Shubert are featuring some of the outstanding artists in the operetta field, among them being Edmund Dorsay, Ruth Gillette, Tom Barry, Zella Russell, Harry K. Norton, Marian Stevens, Frank Farrell and Ann Lay. The orchestra will be under the direction of Mr. Harry Archer.

Rachel Schander New Telephone Asst. Vice Pres.

Appointment of Miss Rachel Schander, employment supervisor in the Northern California and Nevada headquarters of The Pacific Telephone and Telegraph Company, to a newly created position of assistant vice president, was announced today by R. E. Hambrook, vice president and general manager of the company.

In her new position Miss Schander will have responsibilities in connection with personnel matters affecting the 13,000 women employees of the company's Northern California and Nevada Area.

"Appointment of a woman to this high position in telephone company management," said Hambrook, "is in keeping with the enlarged scope of employee relations in our growing organization and a further indication of the increasing opportunities for women in our industry, who constitute about 75 per cent of our personnel."

Miss Schander, like most telephone executives, has come "up from the ranks," starting her business career 39 years ago as an operator in Oakland. She worked both in the local and long distance offices in that city from 1906 until 1919, when she was appointed chief clerk in the Oakland district traffic department and later became welfare supervisor. In 1925 she was appointed secretary to the general manager of the company in San Francisco, and in 1930 she was named employment supervisor, which position she held until her recent appointment.

She served as president last year of the George S. Ladd Chapter of the Telephone Pioneers of America, and is now president of the Pioneers Past President Club. She is an active member of a number of women's organizations including the National League for Women's Service, the San Francisco YWCA, of which she is a member of the consultant service committee, California Personnel Management Association, and the Bay Area Industrial Counselors.

Miss Schander has a wide acquaintance among telephone women throughout the area and brings to her new position a comprehensive understanding of the problems of women in the industry.

New Canned Foods Soon on Local Market

Now that the postwar era has become a reality with the do of Japan, citizens of Albany county can look forward to a development in canned food, many of which were first prepared for the armed forces, according to W. C. Stolk, vice president of American Can Company.

Mr. Stolk said that the approximately 62,331,000 cans of food annually by residents of Albany county undoubtedly will be increased with the arrival of new postwar items. It will trick at all, he said, for a keeper to put together a four course meal by making use of the canned foods shortly find on grocery shelves.

Among the new food items are such items as canned hams, canned bacon, seafood tails and salads in cans, as well as a long list of meats new to among them chicken steaks, dumplings, beef and gravy with apple sauce, ham with sauce and boned turkey.

AMERICA'S GREAT VICTORY LOAN

NORTHERN CALIFORNIA... hub of the Nation's fastest-growing market

How permanent is the West's industrial growth?

You've heard that the West had no war babies. But in a far smaller degree than you might have imagined. Here, the greatest part of its spectacular wartime expansion was solid growth. And the West, when a postwar boom comes, will emerge from reconstruction far richer, far better balanced than ever before.

In a recent poll of top Western executives, for example, 41% of the key executives interviewed said they expected to grow more employment after the war than before, and only 34% said they would provide less.

Northern California... industrial center of the New Pacific World

P.G. and E. engineers will help you locate your plant

A well-trained Pacific Gas and Electric Company engineering staff has been built up in the last few years. It has the facts about locating in Northern California. The staff works closely with established agencies throughout the area and its service includes no charge.

A thorough study of available sites, also, photographs, maps, aerial perspectives, and complete information on construction, water, power, and other facilities, is made available to you.

Estimated cost of property, of any necessary improvements, of power and other facilities, is made available to you.

The more information, or assistance of any kind, you desire, write or call. Company, San Francisco 6, California.

THE NATION'S FASTEST-GROWING MARKET

—based on permanent industrial growth!

Northern California and the West have much to tell and show the Nation. In Northern California particularly, the spectacular wartime industrial growth has been widespread and diversified. Yet this area has had few war baby industries to impede immediate reconversion to its postwar economy.

The industrial West and the potential markets surrounding the hub of Northern California are rich in opportunity.

Every community in Northern California has a stake in the busy future that is starting now. Business and industrial leaders in the East have many plans for Western expansion. Your gas and electric company is working to help them and to help your community.

The advertisement reproduced above, is the second in a series of national advertisements to attract new business and industry to Northern California. This national advertising campaign reaches the more than 5,450,000 readers of—TIME, SATURDAY EVENING POST, WALL STREET JOURNAL, NEWSWEEK, FORBES and UNITED STATES NEWS.

(Continued from page one)

Two years of forced labor in a Jap foundry producing materials of war has ended for Marine Private First Class Lawrence M. Souza, of 826 Kains avenue.

Souza was with the Fourth Marine Regiment when Corregidor fell May 6, 1942. Following his capture he was moved to Cabanatuan Camp Number 3, where he remained for six months. Then he was moved to Camp Number 1.

Finally he was shipped to the camp at Niigata in Japan, where he was

forced to work in the foundry producing engine parts and all forms of ship models. He was there from October 10, 1943, until the Jap surrendered.

"The Japs had us breaking scrap iron, hauling coal, and firing the ovens. And to do that work, they fed us barley instead of rice, grasshoppers, carrot tops — they kept the carrots — and other things along the same line," he said.

From August 10, 1945, until Souza boarded a train September 6, the Japs didn't make the prisoners work.

Souza, son of Mrs. Mary Neves, of Albany, enlisted in 1940. At that time he weighed 175 pounds. During his prisoner days his weight dropped to 120. He now weighs 160 pounds.

Buford Percy Maddux, storekeeper, third class, USN, 1100 Evelyn ave., Albany, is serving on a sea-plane tender which entered Tokyo Bay several days before the formal surrender ceremonies to become part of the occupation force.

Planes of Fleet Air Wing 1, to which the tender is attached, sank 187,555 tons and damaged 173,975 tons of Jap shipping from March 29 to the end of the war.

Theodore Frederick Elitz, radio-man, third class, USNR, 523 Talbot ave., Albany, helped evacuate 219 recovered military personnel aboard his cruiser from the city that was the victim of the second atom bomb, Nagasaki.

The liberated men were principally Dutch and Japanese.

Sgt. Carlo Gagna, son of M. Pasqualina Gagna, 712 Kains Ave., was honorably discharged today from the Santa Ana separation base.

Gagna is a veteran of 32 months of service in the Army Air Forces. He served in England as sheet-metal worker with the 8th Air Force.

The AAF has awarded him the European theater ribbon with 6 battle stars.

T/Sgt. James M. Ryken, son of Mr. and Mrs. F. E. Ryken has been honorably discharged from the Army Air Forces and has returned to Albany, pending future plans. He graduated from Saint Mary's High School in Albany.

Ryken entered the army in Oct., 1942 and was on duty with the 8th Air Force as an Engineer in England and was awarded the Three Battle Stars, the Air Medal and four clusters, and good conduct medal.

After 17 months of service with the 185th General Hospital in England, Lt. Edythe M. Trimble, ANC, daughter of Mr. and Mrs. George A. Trimble, 1082 Nelson st., reached Camp Beale and was granted a 30 day leave before reporting to her next assignment at Camp Clowder, Mo.

Lieutenant Trimble joined the Army in October 1943 and was stationed at McClellan Field, Sacramento and Camp White, Ore., on operating room duty prior to her transfer overseas. She was trained at Merritt Hospital, Oakland, and was on operating room duty in civilian life.

Peter Zucco, seaman, first class, USN, 721 Adams st., Albany, prisoner of the Japanese for many months, is reported returning to the states aboard the USS Ozark, landing ship, with 1,012 others liberated from prison camps in Japan. They are veterans of Corregidor, Wake and Guam.

Clarence H. Petersen, radarman, first class, son of Mr. and Mrs. A. T. Petersen, 624 Talbot ave., returned on the USS Maryland for discharge under the navy's point system.

The Maryland was hit by a torpedo at Saipan and suicide planes at Leyte Gulf and Okinawa. She also saw action at Pearl Harbor, the Marshalls, the Palms, Okinawa, and the battle of Surigao Straits.

Lt. (jg) Rold Iverson, 616 Spohn ave., took part in the last bombardments of the Jap homeland aboard a destroyer of Admiral Halsey's 3rd Fleet. Strikes were also made against Chichi Jima.

In the latter part of the Okinawa campaign, this ship knocked down two Jap planes.

Ernest Leandre Portol, ship's service (laundryman), second class, of Albany, served on an escort aircraft carrier when she helped in the occupation of Honshu and southern Hokkaido, main Japanese islands.

While surrender negotiations were being carried on, planes from the Bay patrolled overhead and parachuted supplies to prisoners of war camps. His ship entered Ominato Naval Base after the surrender and helped in the occupation.

Pvt. Ronald E. Schafer, son of Mrs. Margaret M. Schafer, 610 Madison, has entered the Basic Training Center at Kessler Field, a unit of the Army Air Forces Training Command.

After a period of orientation and physical training at Kessler Field, he will be given instruction in the use of the gas mask and bayonet, a course in camouflage, and target practice on the rifle range. Then he will be assigned to duty or sent to one of the Training Command's schools for special technical training.

Master Sergeant John R. Skoverski of 1444 Portland Ave., is a civilian again today following his discharge at McClellan Field after 3 years of service with the Army Air Forces.

He was overseas in the Mediterranean theater as a machinist from January, 1944 to August, 1945. He has been awarded one battle star to his theater ribbon.

Previous to entering the armed forces, he was employed at Hunters Point Naval Dry Dock for 18 months.

He is the husband of Mrs. Ruth Skoverski, 1444 Portland Ave.

Snowden W. Miller of 1047 Pomona Avenue has received an honorable discharge from the army and has returned to his home.

He was a Pfc. with the Air Corps and was discharged at Oliver General Hospital, Augusta, Ga.

Chester Holstein, machinist, USN, 1305 Marin Ave., is serving on the USS Argonne which has seen action in almost every sea lane from Pearl Harbor to Leyte Gulf.

She escaped with minor damage in the Pearl Harbor attack, then began her travels that took her to New Caledonia, Tulagi, Guadalcanal, New Zealand, the Marshalls, the Admiralties and Leyte.

Although she was under attack several times, her closest call came at Manus Island, when an ammunition ship exploded nearby, damaging the Argonne and injuring many of the crew.

Lt. William R. Crabtree, 1024 Ordway st., served on a cruiser when she helped occupy Hokkaido-Aomori-Ominato area northern Japan.

The ship, with other fleet, steamed through Tsugaru Strait Sept. 8, anchored a short distance from Ominato Naval Base.

The cruiser saw action in the shells, Wake, Marcus, Guadalcanal, Iwo Jima, Tarawa, Watje, the of the Coral Sea, Tulagi, the tians, Paramushiro, Chicho Jim Battle for Leyte Gulf and open in the East China Sea.

**FAMILY CAN AFFORD
FUNERAL INSURANCE**

A few years ago it was uncommon to find any family fully prepared to meet the financial burdens of a bereavement. But today, the funeral payment plan that takes care of the entire cost of a complete funeral is one of the most rapidly growing forms of family protection.

A Funeral Service Plan establishes in advance just how much the funeral shall cost and pays the expenses without taking away from the savings and insurance funds of those who remain. And there is added peace of mind in knowing that no one will have to perform many involved business affairs at a time when hearts are troubled by sorrow.

We will be pleased to tell you about a reliable plan that renders a broad service at low cost.

Christian Science

"Morals and Immortals" is the subject of the Christian Science Lesson-Sermon for November 18, with the Golden Text from 1 Corinthians (15:50-53), "Flesh and blood cannot inherit the kingdom of God; neither doth corruption inherit incorruption. For this corruptible must put on incorruption, and this mortal must put on immortality."

Included in the sermon are these citations:

John 11:44: "And he that was dead came forth, bound hand and foot with graveclothes: and his face was bound about with a napkin. Jesus saith unto them, Loose him, and let him go."

"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "In the illusion of life that is here today and gone tomorrow, man would be wholly mortal, were it not that Love, the divine Principle that obtains in divine Science, destroys all error and brings immortality to light" (p. 305).
